

Information on how to schedule a School Visit with the Author of
Ethan Eats Hot Lunch,
Write On!
Angela L. Glover, Ph.D.

Thank you for taking time to review the following information regarding a possible visit to your school. My presentations/workshops are tailored to age/grade groups, K-6, middle school, high school, and college. Presentations generally last 45-60 minutes, but I can adjust according to class schedules (30 minutes to 1-1/2 hours)

Writer's Workshop (K-2) (3-6) Large or Small Groups

Students identify and apply the six traits of writing to *Ethan Eats Hot Lunch* and then participate in the writing process by Using the "how to get started" process with their own story idea. We will focus on character development, showing vs. telling, and descriptive word choice.

Revision & Editing Workshop (K-2) (3-6) Large or Small Groups

Students practice using revision strategies and the six traits of writing after being introduced to how the writing process was used to create *Ethan Eats Hot Lunch*. Once their draft is complete, we will apply the editing process in order to work toward a final draft.

Specific Grade Level Workshop (2-6)

This workshop addresses The Six Traits of writing—ideas, organization, voice, word choice, sentence fluency, conventions. Throughout the workshop, I use *Ethan Eats Hot Lunch* to model how the writing process works and how it can be applied to student writing, revising, and editing. I also conference with students one-on-one giving feedback on their work. ((1 hour suggested per classroom)

Week Long Residency (K-6)

Week long residencies can be designed for your school/grade level needs. NE Arts Council funding is available for Free and Reduced Lunch and Title One Schools.
